

Parent Guild Meeting **Minutes** February 9th , 2017

Welcome / Introduction

Lead – Rhonda Richter rhondarichter1218@yahoo.com

- Upcoming events – *reviewed mom 2 mom sale, clothing swap, skate night, spring dance and the next pot luck.*
- Communication – *launched the new website and demonstrated how to use. fcmarentguild.com*
 - *We discussed that all flyers and PG information 1st gets approval from Chris, then gets put in the Friday email update before going to our website or on facebook.*
- New Meeting Format – *Rhonda & Joanne discussed why we are changing the meeting format. Hopefully it will allow more parents to get involved in the events they are interested in.*
- Updated Financial Info – *all the final school supplies were purchased and delivered to the school. Total purchases were \$1400.00*

Co Lead and Classroom Liaison – Tamara Fobare tamaralie@gmail.com

- Help Wanted launch – Open Positions – *Tamara reviewed the new help wanted campaign. The flyer will go out in the next Friday email blast. We are asking parents to email Tamara or Rhonda if interested in volunteering for a position. We would like to vote new positions in place in the April PG meeting. Tamara will post flyer on the communications board and email to Angela for web-site.*
- Parent Teachers Conferences – *based on feedback from teachers they would prefer not having a set meal sign up and just have parent donate throughout the day as in prior years. This allows a variety of items for all. We will still have sign up so parents can add their donated items.*

Web-Site Coordinator – Anjela Freeman afreemanjd@gmail.com

We are excited to launch our new website. Anjela has worked very hard to create our new site. She reviewed the new website and showed parents how user friendly it is. Stacy gave us a verbal go ahead with the new site. Anjela asked that any lead that has an event should send her the final flyers and event info as new events come up.

Breakouts – Joanne Roach

Joanne reviewed our new format and discussed upcoming events and communications board. She also discussed low attendance at some of the events and looking for ideas to push and get parents excited about them.
